Works with iPhone

New Account Creation

After having CarLink installed, follow the steps below to begin using your system.

1.	Download the CarLink application to your phone:

    i.	If your dealer sent you a SMS text message for the app, Open open it with the link to download the application.
    ii.	Select the link and follow the instructions. You will be taken to the App Store to download the app.

2.	Launch the CarLink app. from your phone's application list.

3.	Select "Create Account" from the menu.
    i.	Enter your email as the ID and a password, you will then need to accept the End User Agreement to complete the account creation.

Note:	The user will remain logged in unless manually logged out.

4.	You will automatically be directed to the Add Car screen to add your vehicle to the account. Follow the steps below to add your car to the account.
Add Car

You will be prompted to add a vehicle upon completion of creating an account in step 3 above.

1.	Enter the 19 digit ICC ID/SIM number found on the "Quick Reference Guide" provided by you installing dealer.

2.	Enter the one time use, 4 digit passcode also found on the "Quick Reference Guide".

3.	Enter a name for the vehicle (optional).

4.	When complete, touch the Save button.

Login to Your Account

You must be logged into your account to control your vehicle with the CarLink App. From the menu screen select Login and enter your user name and password.

Note:	Even if you close the CarLink App you will remain logged in until manually logged out. After logging out, the application will launch in Demo Mode until a user has logged in.
Password Recovery

Forgot Password?

If for whatever reason you have forgotten your password, follow the steps below to recover it.

1.   From the login screen, touch the Lost Password button.

2.   Enter the login email address you used to create your account.

3.   Touch the Send button and your password will be emailed to you.

Logout ⚙

Even if you close the CarLink App you will remain logged in until manually logged out. If you plan to give someone else access to your phone but do not wish to give them access to your vehicle, it is a good idea to logout of the CarLink App to avoid unauthorized access to your vehicle. After logging out, the application will launch in Demo Mode until a user has logged in.

1.   Touch the Settings icon from the main screen.

2.   Select the account's email address.
